

# DOWNLOAD INTERVIEW WITH HISTORY ORIANA FALLACI RCGRAY

## Interview with History

Probing interviews with fourteen contemporary political leaders, including Kissinger, Meir, Arafat, Indira Gandhi, and the Shah of Iran, reveal their personal attitudes and propensities and survey the workings of the leader in history

## The Force of Reason

Oriana Fallaci is back with her much-anticipated follow up to *The Rage and the Pride*, her powerful post-September 11 manifesto. The genesis for *The Force of Reason* was a postscript entitled *Due Anni Dopo* (Two Years Later), which was intended as a brief appendix to the thirtieth edition of *The Rage and the Pride* (2002). Once Ms. Fallaci completed the postscript, she chose to expand it into a book, a continuation of her ideas set in motion in *The Rage and the Pride*. In *The Force of Reason* Fallaci takes aim at the many attacks and death threats she received after the publication of *The Rage and the Pride*. Ms. Fallaci begins by identifying herself with one Master Cecco, the author of a heretical book who was burnt at the stake during the Inquisition seven centuries ago on account of his beliefs, and proceeds with a rigorous analysis of the burning of Troy and the creation of a Europe that, to her judgment, is no longer her familiar homeland but rather a place best called Eurabia, a soon-to-be colony of Islam (with Italy as its stronghold). Ms. Fallaci explores her ideas in historical, philosophical, moral, and political terms, courageously addressing taboo topics with sharp logic.

## Oriana Fallaci

A landmark biography of the most famous Italian journalist of the twentieth century, an inspiring and often controversial woman who defied the codes of reportage and established the "La Fallaci" style of interview. Oriana Fallaci is known for her uncompromising vision. To retrace Fallaci's life means to retrace the course of history from World War II to 9/11. As a child, Fallaci enlisted herself in the Italian Resistance alongside her father. Her hatred of fascism and authoritarian regimes would accompany her throughout her life. Covering the entertainment industry early on in her career, she created an original, abrasive interview style, focusing on her subject's emotions, contradictions, and facial expressions more than their words. When she grew bored of interviewing movie stars and directors, she turned her attention to the greatest international figures of the time: Khomeini, Gaddafi, Indira Gandhi, and Kissinger, placing herself front and center in the story. Reporting from the front lines of the world's greatest conflicts, she provoked her own controversies wherever she was stationed, leaving behind epic collateral damage in her wake. Thanks to unprecedented access to personal records, Cristina De Stefano brings back to life a remarkable woman whose groundbreaking work and torrid love affairs will not soon be forgotten. Oriana Fallaci allows a new generation to discover her story, and witness the passionate, persistent journalism that we urgently need in these times of upheaval and uncertainty.

## The Unmasking of Oriana Fallaci

*The Unmasking of Oriana Fallaci: Part II and Conclusion to Her Life Story* brings to an end years of painstaking research. This biography highlights Fallaci's career as a journalist, interviewer, war reporter,

essayist, and novelist. Its uniqueness consists less in a chronological listing of events but rather in emphasis on the core of Fallaci's psychological dynamism. This woman from Florence relentlessly placed her embellished persona in the public eye; she thirsted for stardom, allowing nothing to block her ascent to prominence; she essentially functioned as her own publicity agent. Aricò maintains that this same narcissism is present in all of her early Hollywood articles, celebrated interviews, book on NASA space travels, best-selling novels, and end-of-life trilogy against Islam. Indeed, Fallaci's posthumously published history of her ancestors not only takes on the structure of an epic saga but also of an in-depth autobiography. Her entire history of inserting herself onto center stage received reinforcement by the eye-catching portraits of her by world-famous photographers. Aricò bases *The Unmasking* on extensive investigation, meetings with people who knew her, and fourteen one-on-one recorded interviews at her homes in New York and Florence. His exposé stands as Fallaci's only definitive and authoritative biography in the English-speaking world.

## **Oriana Fallaci**

An introduction to the writing of one of Italy's most controversial personalities and widely-read writers, whose ideas have antagonized both feminists and anti-feminists. Analyzes texts written between 1958 and 1995, focusing on her strategies of direct engagement with key issues such as women's liberation, Vietnam, Islamic fundamentalism, and the space program. Distributed by New York University press. Annotation copyrighted by Book News, Inc., Portland, OR

## **The Egotists**

Norman Mailer.

## **Oriana Fallaci**

Internationally acclaimed as a journalist, war correspondent, interviewer, and novelist, Oriana Fallaci's public persona reached almost mythic proportions. It is a myth Fallaci herself created, according to Santo L. Aricò, who probes the psychological forces that motivated one of the twentieth century's most famous and successful women writers. Using his own extensive interviews with the writer, Aricò maps out Fallaci's journey through life, paying particular attention to her ongoing and painstaking attempts to establish her own mythical status. He first examines her career as a literary journalist, emphasizing the high quality of her writing. From there, he concentrates on how Fallaci's personal image began to emerge in her writings, as well as the way in which, through her powerful narratives, she catapulted herself into the public eye as her own main character.

## **A Man**

A novel written by Oriana Fallaci chronicling her relationship with the attempted assassination of Greek dictator George Papadopoulos. The book is a pseudo-biography about Alexandros Panagoulis written in the form of a novel. Fallaci had an intense romantic relationship with Panagoulis. She uses the novel to put forth her view that Panagoulis was assassinated by a vast conspiracy, a view widely shared by many Greeks.

## **Nothing and Amen**

A pregnant woman who regards motherhood as a responsible, moral choice prepares for her child's birth by remarking upon and examining her ambivalent feelings toward herself, her society, and her unborn child
