Star

Like many twenty-one year olds, Star Wood Leigh works two jobs to make ends meet: the day shift at Talon's Nail and Tan Spa, and the night shift at Mother Pearl's Steak & Oyster Emporium. The archetypal tomboy, at home in jeans and a T-shirt, Star is guileless and beguiling, a fresh-faced beauty who knows that too much of a good thing is wonderful. A loving daughter, a good friend and a faithful girlfriend, this Florida girl gets more than her fair share of sun and fun. And then an innocent evening at a football game sets off a chain of life-altering events. One minute Star is cleaning the tanning beds at Talon's, and the next she's being primped and prodded in preparation for the front cover of a national magazine... Playful, bawdy and curl-your-toes sexy, STAR is an insider's look at a world of inflated egos and inflated bodies. Going far beyond the cliched air-kisses and casting couches of Hollywood, STAR shows what really happens when A-list meets D-cup, when girl becomes goddess.

Life Itself

"The best thing Mr. Ebert has ever written." - Janet Maslin, New York Times "To make ourselves unhappy is where all crime starts. We must try to contribute joy to the world. That is true no matter what our problems, our health, our circumstances. We must try. I didn't always know this, and am happy I lived long enough to find it out." Roger Ebert is the best-known film critic of our time. He has been reviewing films for the Chicago Sun-Times since 1967, and was the first film critic ever to win a Pulitzer Prize. He has appeared on television for four decades. In 2006, complications from thyroid cancer treatment resulted in the loss of his ability to eat, drink, or speak. But with the loss of his voice, Ebert has only become a more prolific and influential writer. And now, for the first time, he tells the full, dramatic story of his life and career. In this candid, personal history, Ebert chronicles it all: his loves, losses, and obsessions; his struggle and recovery from alcoholism; his marriage; his politics; and his spiritual beliefs. He writes about his years at the Sun-Times, his colorful newspaper friends, and his life-changing collaboration with Gene Siskel. He shares his insights into movie stars and directors like John Wayne and Martin Scorsese. This is a story that only Roger Ebert could tell. Filled with the same deep insight, dry wit, and sharp observations that his readers have long cherished, this is more than a memoir -- it is a singular, warm-hearted, inspiring look at life itself.

The Freedmen's Book

I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

Moon-Face, and Other Stories

Instant New York Times bestseller! The Emmy Award-winning star of General Hospital chronicles his astonishing and emotional life journey in this powerful memoir—an inspiring story of success, show business, and family, and his struggle with mental illness. "This shocking true story is General Hospital on anabolic steroids." — Mehmet Oz, M.D., Emmy Award-winning host of The Dr. Oz Show Maurice Benard has been blessed with family, fame, and a successful career. For twenty-five years, he has played one of the most well-known characters on daytime television: General Hospital's Michael "Sonny" Corinthos, Jr. In his life outside the screen, he is a loving husband and the father of four. But his path has not been without hardship. When he was only twenty, Maurice was diagnosed with bipolar disorder. In *Nothing General About It*, Maurice looks back to his youth in a small town and his tenuous relationship with his father. He describes how his bipolar disorder began to surface in childhood, how he struggled to understand the jolting mood swings he experienced, and how a doctor finally saved his life. For years Maurice was relentless in his goal to be a successful actor. But even after he "made it," he still grappled with terrifying lows, breakdowns, and setbacks, all while trying desperately to maintain his relationship with his wife, who endured his violent, unpredictable episodes. Maurice holds nothing back as he bravely talks about what it was like to be medicated and institutionalized, and of how he learned to manage his manic episodes while on the set of GH. *Nothing General About It* is also an incredible love story about an enduring marriage that demonstrates what those vows—for better, for worse, in sickness and in health—truly mean. Maurice also pays tribute to the community that has been there for him through thick and thin, and ruminates on the importance of both inherited and created family. A shocking, riveting, and utterly candid memoir of love, adversity, and ultimately hope, *Nothing General About It* offers insights and advice for everyone trying to cope with mental illness, and is a motivational story that offers lessons in perseverance—of the importance of believing in and fighting for yourself through the darkest times. *Nothing General About It* includes a 16-page insert featuring approximately 50 photographs.

I Will Survive

Somewhere between global and local, the nation still lingers as a concept. National art histories continue to be written – some for the first time – while innovative methods and practices redraw the boundaries of these imagined communities. *Narratives Unfolding* considers the mobility of ideas, transnationalism, and entangled histories in essays that define new ways to see national art in ever-changing nations. Examining works that were designed to reclaim or rethink issues of territory and dispossession, home and exile, contributors to this volume demonstrate that the writing of national art histories is a vital project for intergenerational exchange of knowledge and its visual formations. Essays showcase revealing moments of modern and contemporary art history in Canada, Egypt, Iceland, India, Ireland, Israel/Palestine, Romania, Scotland, Turkey, and the United Arab Emirates, paying particular attention to the agency of institutions such as archives, art galleries, milestone exhibitions, and artist retreats. Old and emergent art cities, including Cairo, Dubai, New York, and Vancouver, are also examined in light of avant-gardism, cosmopolitanism, and migration. *Narratives Unfolding* is both a survey of current art historical approaches and their connection to the source: art-making and art experience happening somewhere.
